My name is Bob Whistle. I'm a football referee and I love my job.

I was born in Edinburgh on the 24th April 1982 but now I live in Oxford. When I was a student, I played as a centre back for a local team.

I started my career as a referee at the British Championship, then I participated in the World Cup.

Now I am very interested in the Women's League Championship. In my free time I like going fishing.
