1.  Ricalca le rette.

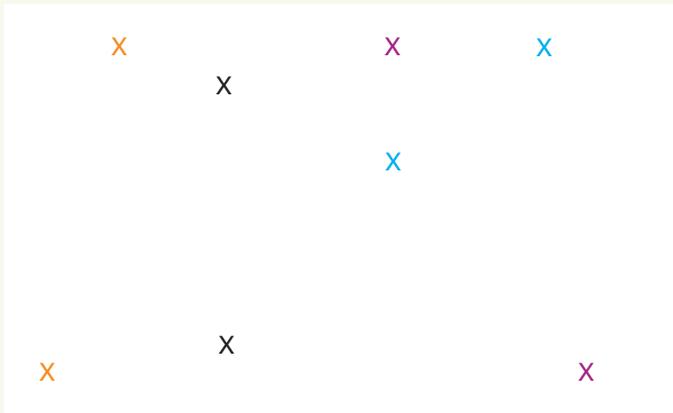

2.  Traccia linee rette che attraversino le crocette dello stesso colore.

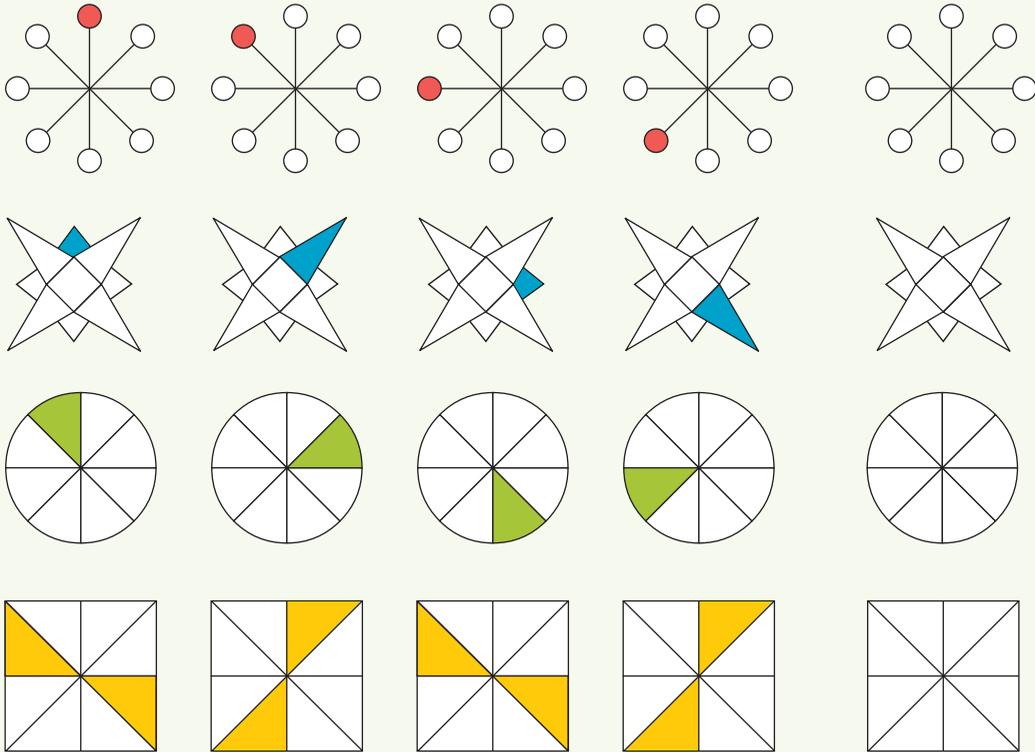

A

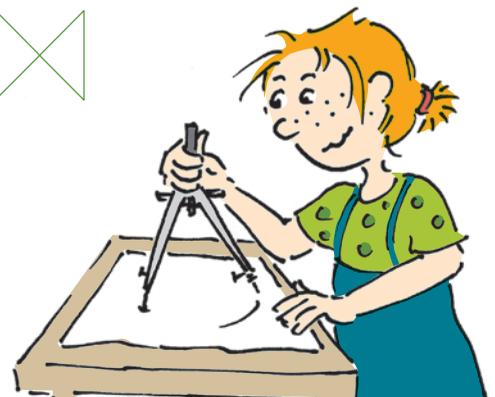

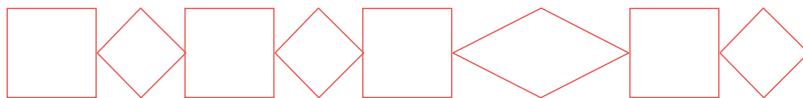

B

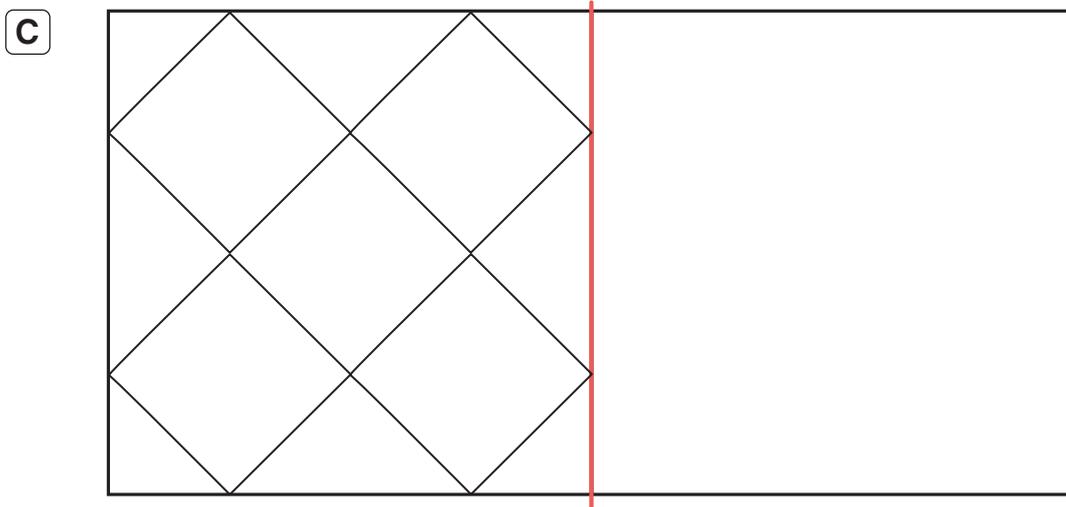

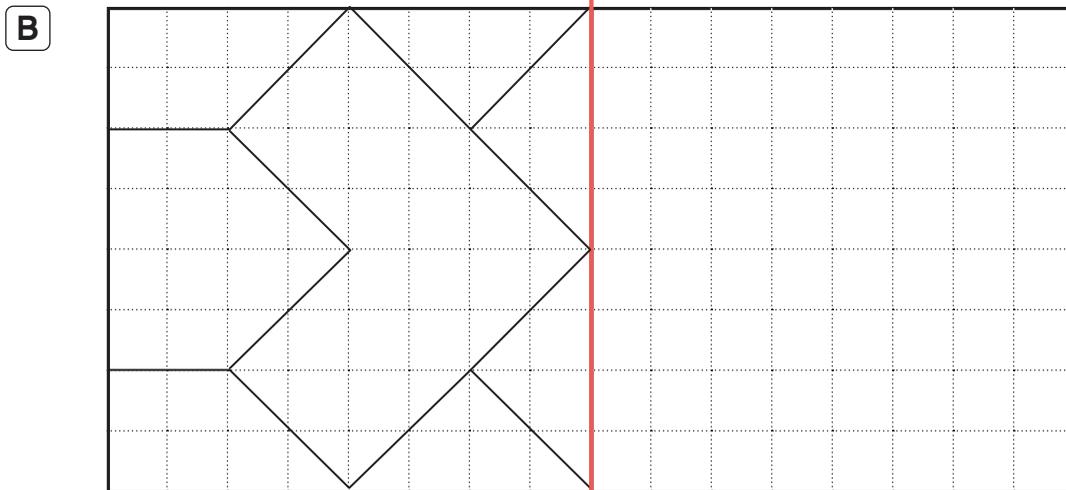

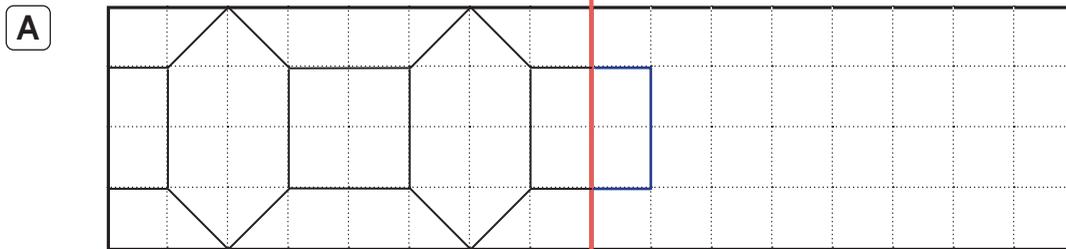

1. Colora l'ultima figura in modo da rispettare la sequenza.

2. In queste sequenze c'è un errore.  
Colora la parte sbagliata.

1. Completa le simmetrie. Controlla con uno specchio.

2. Qual è la figura simmetrica giusta? Segnala con una crocetta.
